

### REMARKS

The foregoing changes are made pursuant to the provisions of Rule 312 to effect editorial corrections of claims 1, 8-10, 14 and 21 without introducing any new matter therein.

This self-explanatory amendment merely corrects one minor informality in each of claims 1, 8-10, 14 and 21 or otherwise places these claims in a better form. In view of the editorial nature of such amendment, applicants respectfully submit that such amendment requires no additional search or examination, and that claims 1, 8-10, 14 and 21 are still patentable. The editorial amendment was not presented earlier because the undersigned became aware of these minor informalities recently. Entry of this editorial amendment is therefore believed to be in order and the same is hereby earnestly solicited.

It is believed that no additional fees are required. If additional fees are required, however, please charge such fees to our Deposit Account Number: 090470.

Respectfully submitted,

General Electric Company
